BRENDA ZARO

Fits your world

BRENDA ZARO, is a leading company in the manufacture of women's shoes. Its more than 30 years of experience have made it one of the most recognized companies in the shoes world.

We offer you a wide range of styles from the day by day shoes till the ones for your events, from the functional ones till the more elegants.

Our shoes are fully produced in **Spain**.

The factories are located in Elda (Alicante), a city of shoemaking tradition where handicraft work makes each of our models be created with care and affection. We pay an special attention to quality.

We want women to be comfortable, elegant and fashionable with our creations.

Our shoes are produced by using a type of construction that makes them more comfortable. This structure makes them different.

100% flex&comfort

Antishock footbed

100% leather sock & lining

Full memory foam insole

Flexy anti slip sole

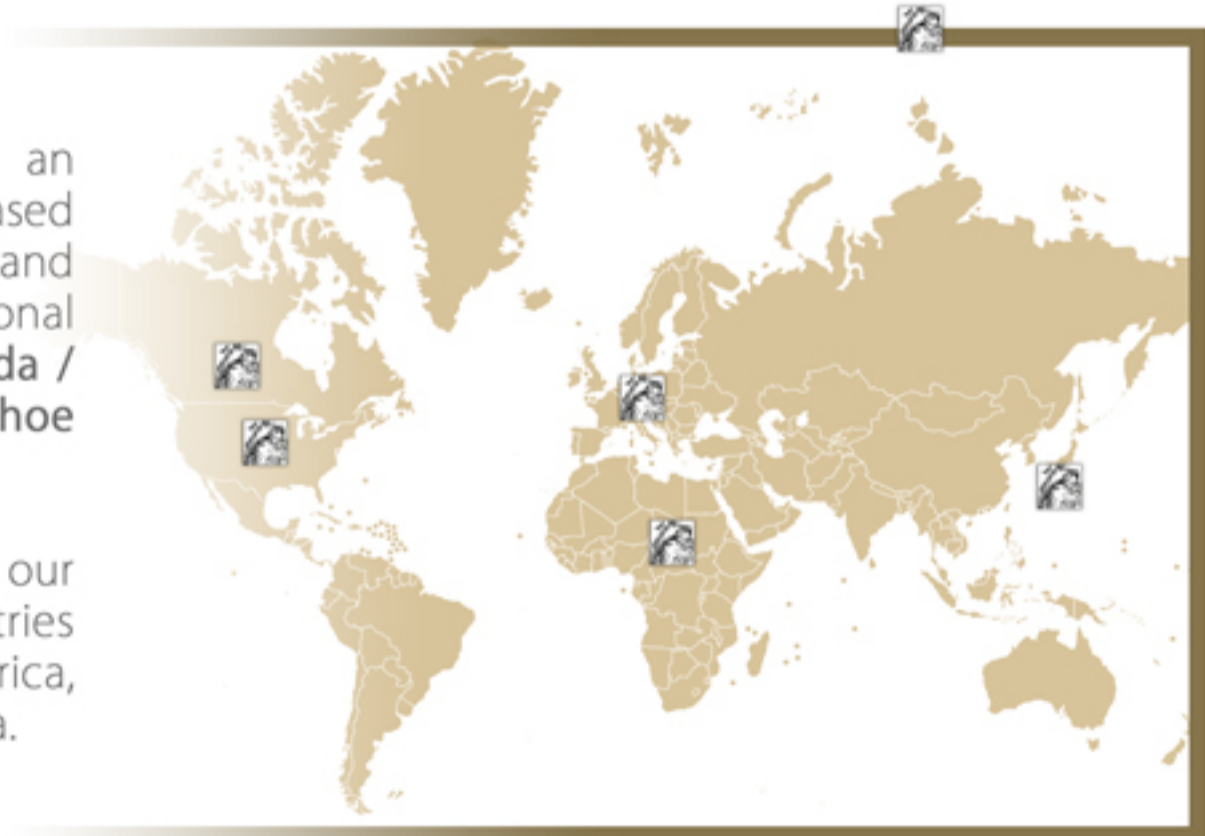

We offer you a wide catalog every season to arrive to all modern women needs.

BRENDA ZARO, has an international presence based on its network of agents and participation in international footwear fairs such as **Moda / Birmingham** or **London Shoe Show / London**.

You could find our creations in several countries in Europe and in Asia, Africa, U.S.A., Canada and Australia.
